Micheal was a delight to work with from start to finish. He made the lead up and the day absolutely stress free and enjoyable. We met with Micheal to sign the paperwork etc, which was all well prepared and he was promptly available on email or text/call whenever I had a query. Quite a few of my guests complimented his endearing nature, that he was very well spoken and really captivated the guests. He guided everyone involved with the ceremony with grace and without a hitch. I would truly recommend Micheal to anyone. A definite 5 star rating from Sam and I.

We were married on the 21st October 2018 at my brother's property in Brisbane and without Micheal, it would never have happened. From the very first meeting with Micheal he was more than just a celebrant he was a friend and such a lovely person he talked us through everything we needed to know he helped us with every detail all the way through, as we are from the UK we weren't sure what we needed to do or where we needed to go to sort things out and he helped with all of that. He sorted out some readings for us to choose from that we had not heard before but just seemed to fit what we wanted. He was always available to answer any questions, sort out any problems and make any changes, nothing was too much trouble for him. We would highly recommend Micheal to anyone. Sue M
