

## ABOUT BEC

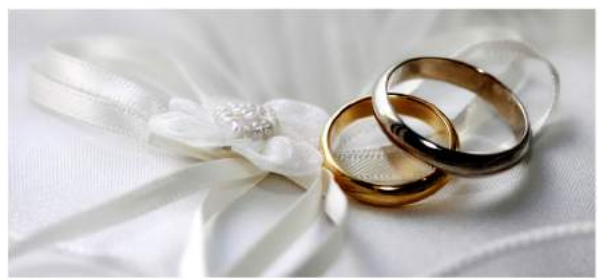

Rebecca Cawood, better known to many as Bec, is an insightful and creative wedding celebrant & wedding enthusiast.

Her compassionate nature naturally puts clients at ease and helps to create a relaxed yet special ceremony. Supporting marriage equality, respecting all religions plus honouring spiritual and non-religious backgrounds.

Bec truly believes life is to be celebrated, be it a wedding, commitment ceremony or life celebration. Weddings & event planning is where Bec's passion has always been.

Not only has she completed regular qualifications and attended industry conferences, she has been responsible and collaborated with over 1000 weddings in her career to date.

Bec believes life should be celebrated & sees marriage as a celebration in life; a point in time when two people come together and choose to acknowledge & share their love for one another, their desire to take the next step in their life together...unified. Either a large ceremony, a smaller more intimate ceremony with your closest family & friends or perhaps a beautiful elopement somewhere special.

## TESTIMONIALS

"It's so important to have a celebrant that is invested and willing to put forth the necessary time and effort. Bec takes the time necessary to get to know the couple and what they really want. She is kind, caring, personable, flexible, and easy to work with. Best of all - you can trust her to be prepared and to take the time to do things right. When I worked with Bec she was easy to communicate with and took all my needs and suggestions no matter how many I threw at her. I was honestly never worried once I put something in her hands and she exceeded all expectations!"
