MARRIAGE CELEBRANT

I am a Civil Marriage Celebrant based in North Brisbane. I perform modern ceremonies across South East Queensland including: Brisbane, Redcliffe, Maleny, Sunshine Coast, Gold Coast and Toowoomba.

I am a big fan of love and people celebrating in their own way. I'd love to hear more about your upcoming wedding and help make it the extraordinary day you've been dreaming about!

## *Signature Ceremony Package*

I will deliver a bespoke ceremony that is all about you as a couple! Your ceremony will be performed using a high quality Bose PA system and your vows will be presented in custom, keepsake vow booklets.

As your Celebrant, I will assist preparing essential paperwork, provide unlimited planning support and register your marriage.

You will also have access to a range of planning resources including: two planning meetings, personal vow writing assistance, script review, online questionnaires, planning materials and an exclusive planning gift.
