*Legally Yours* \$434.50 /  
*Legally Yours Classical* \$495

For the couple who want to keep their marriage ceremony simple and straight forward. A choice of two ceremonies to perfectly suit every taste.

Prices include GST

The quintessential **Legals Only** service, meaning that the vows taken are those specifically required for a legal marriage without any ceremony customisation.

So if you're not really into 'all that wedding stuff' this ceremony is simple, quick, and perhaps just right for you.

It's intimate, and perfect if you want to get married without any fuss.

**There is a choice of two ceremonies:**

- **Legally Yours** is short and simple and satisfies the minimum requirements for a couple to marry under Australian Law. There is no customisation and no personalisation of vows. The blessing is optional and can be removed.
- **Legally Yours Classical** builds on the Legally Yours ceremony through the inclusion of optional sections and vows to personalise and tailor your ceremony. It provides that little bit of specialness, without going to the full customisation of the Uniquely Yours Ceremony.

**Location:** we can perform the ceremony at your venue of choice\* within 50kms of my residence in Wellington Point, Queensland

*\*parks and beaches may require a permit; check with the local council*
