Unique Wedding Ceremonies

I love creating beautiful and unique ceremonies that capture the heart and essence of you!

I have been running my own business on the Gold Coast for over 13 years, honouring major milestones and 'rites of passage' experiences through all phases of life. I love to provide a welcoming and safe space to discuss ideas and to co-create a beautiful and unique ceremony for all couples and families.

Whether you would prefer short and sweet, or epic and wild, I can create the perfect ceremony for you. My calm, caring, reliable and professional style will help your day run smoothly and easily.

From Weddings and Commitment Ceremonies to Baby Namings and Blessingways, you can honour yourself and your loved ones with a ceremony to remember!
