WEDDING CELEBRANT

This package includes everything that you could possibly need to have a fabulous wedding ceremony. I spend a lot of time and energy on my couples, and I only book a limited number of weddings per year so I can really focus on you and the vibe you want to bring to your special day.

By the end of our first meeting, you will feel seen, understood, and confident that your ceremony will include the best love story anyone has ever heard! People like to call me the Queen of rom-coms because I'm able to read the room and create the perfect balance between romance and funny banter.

PARTY STARTER CELEBRANT & MC

Let your guests be guests and I'll take care of the rest! With an already deep knowledge of you both I'd be honored to continue the good vibes well into the night. There's so much that goes on behind-the-scenes of a great wedding reception, and you can consider me a well-oiled machine. I coordinate with your vendors, kitchen staff, musicians, and photographers to ensure a seamless wedding reception. If you want your friend to MC - I'll be there to help them. I create the run sheet and make sure it all goes off without a hitch.

HAPPY HOUR HOT SEAT

VIDEO GUESTBOOK ANYONE? Right after your ceremony you get whisked away by your photographers and have you ever wondered what your guests get up to during that time? Well, say goodbye to FOMO and say hello to Happy Hour Hotseat.

Post hitching, I am interviewing your guests, capturing raw and genuine moments from how they felt about your ceremony to their well wishes for your future! And the best part? I share all the footage with you the very next day so you can re-live your day all over again!

JUST THE PAPERWORK

An effortless process that takes just 10 minutes. I'd love to host you in Byron Bay—with stunning views of the ocean and the iconic Byron Bay Lighthouse! It's not only a seamless legal procedure but serves as a stunning photo opportunity that beats going to the Registry any day.

WHOLESUME WEDDINGS

"Wholesome Weddings" is a real showstopper! Because you have me as your Celebrant, MC and Video Guest Book interviewer. You will have a day that will be incredibly well organised and curated to fit in perfectly with your other vendors. I take the time to make sure it's a true reflection of your dream wedding vision. And the best part? You can stay SUPER present the whole day knowing that a professional like me, has your back! You get me from 1 hour before your ceremony, all the way up until I help your MC kick start the D-floor for you.
