MARRIAGE CELEBRANT | EMCEE

*the perfect balance
of humour & heart*

Hi, I'm Jorgia.

Guess what? I want to marry you!

I'm a passionate and enthusiastic celebrant who has a knack for sharing stories, having a few laughs with new friends, and helping couples get hitched.

I've been lucky enough to help hundreds of lovebirds celebrate their unique love stories with their fave people and I have to pinch myself every time that this is my job!

People are my jam. Love is my world. Non-traditional weddings are my thing. Let me bring the romance, the laughter, and the happily ever after to your big day!

Kind Words

We couldn't have chosen a better person to be by outside during our special day!! Jorgia was our celebrant and our Emcee at our wedding.

Our ceremony was so personalised that you would have thought our best friend was marrying us! We love that she even got a little emotional with us. We told her we wanted something light-hearted and fun and that's exactly what we got!!

Our reception was nothing less than perfection! While we were off having fun she was meticulously working in the background to ensure everything ran smoothly and that we had everything we needed.
