

WEDDING PACKAGES

THE BASICS

If you are looking for a quick and simple wedding without the bells and whistles, this package is for you. We cover the minimum legal requirements to make sure you are married, all you need to bring is yourself, your fiancé/partner and your two witnesses.

This package includes;

- A pre wedding meeting to fill out and lodge the necessary paperwork
- My services to officiate the ceremony
- Registering your marriage with Births Deaths and Marriages

\$500

A travel fee may apply to all packages

THE ELOPEMENT

An elopement is such an intimate and personal way to make your love official. This is a nice little package that covers the minimum legal requirements, with a bit more of a personal touch, such as adding personal vows and a ring exchange. It's the perfect package for those who want a small, intimate wedding without a lot of fuss.

This package includes;

- An initial online meeting
- A pre ceremony face to face meeting to discuss your ceremony and lodge paperwork
- Writing and officiating your ceremony
- A Commemorative Marriage Certificate
- Registration with Births, Deaths and Marriages

\$800

THE BELLS & WHISTLES

If you want a ceremony packed with fun, laughter, and love, then this package is for you. I'll make sure your ceremony is light-hearted but still filled with the romantic and heartfelt touches that matter to you. Included in this package are all the fun bits, like your love story and personalised vows along with all the legalities. This package gives you the freedom to create your dream ceremony, where we can do anything you want!

This package includes;

- An initial online meeting
- A pre ceremony face to face meeting to discuss your ceremony and lodge paperwork
- Writing and officiating your ceremony
- Use of my PA system
- A Commemorative Marriage Certificate
- Registration with Births, Deaths and Marriages
- Creation of your one-of-a-kind wedding ceremony
- A pre wedding online rehearsal to run through the ceremony details before the big day
