

Let's get you Married

Booking

To secure your date and confirm your booking, a deposit needs to be received and couples agree with terms and conditions.

Let's meet!

Whether it's in person or online, I want you to feel comfortable with the person who are marrying you both! We will also go over the Ceremony details.

Rehearsal & Ceremony

You may have a rehearsal the day before to smooth over the final flow. On the day, your ceremony is delivered and marriage documents will be signed. If you've chosen the option- you will be posted your Official Marriage Certificate by the EDM office. You're married! I will follow up for some feedback.
