

ELOPEMENT SPECIAL PACKAGE

Do it with simplicity and style!

For a quieter but every bit as meaningful ceremony for just you and your beloved I offer an Elopement Special Package.

When it is just for the two of you and your witnesses we can have a private ceremony before you embark into your beautiful new future as husband and wife or partners.

I can recommend many great hills restaurants that do excellent lunches, High Teas and dinners based on your preferences.

Chocolates and sparkling wine are included in this package.

This type of ceremony can be achieved with ease and grace just the way you want it.

Mid week brings with it a further special from Monday – Thursday.
