

Are you looking for an event photo booth that will surely surprise your guests, amaze the crowd and works beyond the ordinary?

Get fascinated with this most exciting photo booth brought to you by **Mirror Me Magic Moments Photo Booth** servicing in Adelaide area and the surrounding suburbs. Designed by FotoMaster Ltd in the US, this product is no doubt the leading innovation in the photo booth industry!

Unlike the traditional kiosk-type, this MirrorMe photo booth is open-air that stands with a life-sized mirror for your individual or group selfies. It is touched-screen and equipped with a voice prompt to interact with your guests with easy navigation that makes it more fun and entertaining!

On top of our wide selection of props provided, guests can add emoji's and emoticons to your photos that creates a unique feel and look. They can also write, draw shapes or create electronic signatures right on the mirror through their fingertips for a more personalized photos truly worth remembering.

At the end of every session, your guests can choose an overlay background from different designs tailored to their fancies and likes.

A perfect match that definitely makes your event to stand out from the crowd!
