HIRING**

We do photo booth hire a little differently, with a beautiful open booth design and customised backdrops to compliment your wedding perfectly. Here at Contain Yourself we take the extra step to help bring your vision to life. We believe that our product is more than just the print; it is capturing the moment, collecting everlasting memories and adding a unique element to your special day.

Contain Yourself photo booths cater for all wedding and venue sizes. Our unique design means that you can fit the photo booth at almost any venue or space. If you have a 2m x 2m space, then you have room for a photo booth! Using the latest professional studio equipment, our photo booths provide you with the highest quality pictures.

Your guests will absolutely love the booth and will take home a priceless keepsake as a memory from your wedding. While you enjoy your night, let us work our magic. As a gift to you, we will help your guests create a book full of photos and heartfelt messages so you can relive your night through your guests' eyes.

OUR backdrops

There are a range of backdrops beautifully designed to compliment the styling and theme of your event. Choose from a range of flower walls, satin, textured, fairy light or timber backdrops, or let us create a custom backdrop especially for your wedding as an optional extra. Alternatively, if you have breath-taking scenery at your chosen venue, take advantage of nature and use it as your backdrop. If you are looking for a custom backdrop, we will work together to create a design that you are happy with. Let your backdrop be a 'wow' factor at your wedding!
