Photo Booth

We work with loved-up couples, families and friends to create fun and entertaining memories that last a lifetime.

Our photo booths are manned by real people, there to take care of everything, including your guests.

While we're mostly known for bringing a loads of fun to weddings, a photo booth is a great addition to your birthday, graduation, formal or any other celebration.

Your big day will go down in history with backdrop, prop and template options specially tailored to your theme.

## Why us?

Don't worry, we've done this before.

We bring the fun, with minimal fuss! We have years of practice creating fun, personalised experiences that run smoothly. Behind all the flair, fun and pizzazz is a team of highly organised, detail-oriented people.

Great communication is at the heart of all we do. You'll always know what's going on and can trust us with a seamless set-up. We don't let things slip through the cracks, so you can take one more job off your plate.

## All the facts

### Booking

Choose a package and book online. In peak wedding season (April to November) our weekends book out fast! Book us in as soon as you know you'd like us at your big day. Our availability can be checked via our website.

### Payment

When you book, you will be required to sign our contract and pay a 30% deposit. Booking date can be changed to any date within 18 months without losing the deposit. Remaining payment due 30 days before the event.

### Set-up

When choosing where to set-up your photo booth, we look for a solid, level floorspace of 3m x 3m. We also need access to a stable 24v power supply. Before the event, we'll make sure that we know where you want us to set up. That way, we won't have to bother you on the day of your event.

We set up 1.5 hours before your event, and pack down takes about an hour once your booking is done. We can set up earlier or start later, but we charge an 'idle-fee' of \$40 per hour while the booth sits unused at your event.

### Backdrops

We have a range of backdrops that you can choose from which can all be viewed on our website. But, you can also provide your own!

A backdrop of at least 2.4m wide and 2.1m tall is best for our photo booths. As a bonus, for looking after the backdrop, we provide a discount of \$100 on your photo booth hire.

### Guestbooks

Guestbooks are included in all Luxe packages. You can also purchase a guestbook as an add-on to your Prints package. Our guestbooks are custom-made, 8.5" tall and 10" wide.

They have a wooden cover - featuring whatever message you choose - and 100 blank white pages (black pages are an additional \$3). Each guestbook is \$80 and we supply signage, glues and pens at no cost.

### Suggested hire times

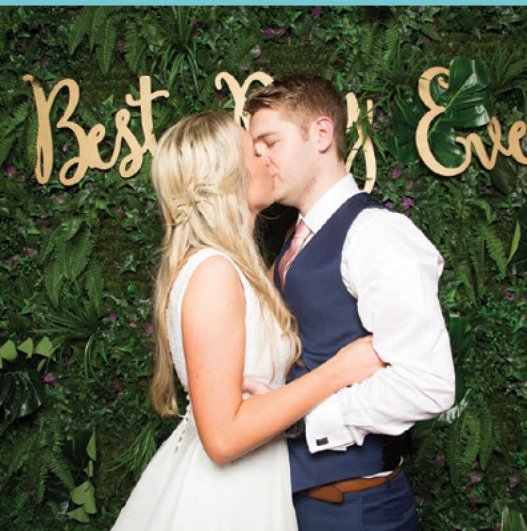

Our minimum hire time is 3 hours.

For a wedding, party or other celebration with 200 guests or less, we suggest that you hire the booth for 4 hours. For more than 200 guests, then 5 hours is usually enough time.

### After the event

If you choose a Digital package, you will be sent a link to your live online gallery on the day of your event. You will be able to see what your guests get up to in real time!

If you choose a Print or Luxe package, all of your images will be professionally edited by our team. You will be sent access to your password protected online gallery within 24 hours of your event. Download your images and share the link with your family and friends!
