

A country wedding...

We know how important your wedding day is. There are so many things to consider and to organise. When you choose Macedon Ranges Hotel and Spa, you can relax in the knowledge that our team of passionate and experienced staff will guide and support you in your journey.

Nestling in the tranquil surrounds of the picturesque Macedon Ranges, we enjoy expansive views of Mount Macedon. The romantic amphitheatre with its stunning backdrop of rolling hills, provides the ideal location for your ceremony and the surrounding acres of natural bushland leaves you spoiled for choice when it comes to locations for your wedding photography.

Just a few steps from the amphitheatre will take you to the Macedon Valley Room, where cathedral ceilings and floor to ceiling windows fill the venue with stunning natural light. It is a generous and flexible space with a substantial private terrace, offering spectacular views of the mountain and is ideal for pre-dinner drinks or an alternative location for your ceremony. Our menus utilise the very best locally sourced, seasonal produce and cater for all your guests' dietary needs, while our attentive service staff will ensure your guests are treated to an exceptional and memorable celebration.

Our stylish hotel boasts 35 beautifully appointed spa suites for the enjoyment of your guests, and our professional therapists in our Day Spa offer an extensive treatment menu – the perfect treat for you and your bridal party prior to your ceremony (or to assist with your recovery on Sunday!)

Macedon Ranges Hotel and Spa is truly a destinational venue: come for a weekend in the country and let us take care of the details, so you can relax and enjoy your special day amongst your friends and family.
