BEPOKE CAKE DESIGN IN HOBART,
TASMANIA. WEDDINGS, BIRTHDAYS OR
ANY TIME YOU WANT TO EAT CAKE!

BESPOKE CAKE DESIGN

Weddings, birthdays, baby showers, and all special occasions deserve cake. All my cakes are custom designed for your event. This includes:

- the perfect sizing whether you have 10 guests or 150, and whether you want dessert or just a tasty bite
- flavour combinations to suit your tastes
- bespoke design based on your event inspiration
- flowers, toppers, or handmade design elements as desired.

FLAVOURS & INGREDIENTS

All cake elements are made from scratch, with deliciously moist butter cakes, homemade fillings, and finished with swiss meringue buttercream.

Flavour combinations are endless! I can suggest classic favourites or custom design flavours based on your favourites.

PRICING

As all cakes are custom designed for each occasion, I provide a personalised quote for every cake. I can let you know what is possible within a specific budget if required.

As a general guide:

- Single tier cakes start from around \$180
- Two-tier cakes start from around \$400
- Three-tier cakes start from around \$700
- Cupcakes start from \$48 for a box of 12

BOOKING

Wedding cakes generally need to be booked in 3-6 months in advance. Smaller party cakes generally should be booked about 4 weeks in advance.

I will always do my best to fit your cake in, however I do only take a limited number of orders each month. All bookings require a deposit to secure your date.

LOCATION

I bake in a council-approved home kitchen in Lenah Valley. Smaller cakes can be picked up at a pre-arranged time. All two-tier or larger cakes include delivery to your venue in the quote.
