Samples

Sample boxes are available every month and can be purchased for pre order from the online store.

These are created as a pick up item from our studio in Elsternwick, and are for you to take home and enjoy with your partner and/or family or bridal party.

Each pack contains 8 flavours *including* a gluten free option. (Brad's personal favorite)

All cakes and fillings are made by humans, in the same kitchen as nuts, dairy, egg and gluten and therefore may contain traces of these substances. All cakes and fillings are safe for pregnancy

Florals

We offer fresh flowers and edible sugar flowers. We are happy to source fresh flowers for your cake with your guidance on colour and variety. While we try our best, we cannot guarantee that the flowers we are able to source will be the same as your florist or your reference image.

If the florals are provided by your florist, there is no charge for the styling and addition of the flowers to your cake, this is included in my service.

When requesting your wedding cake flowers be included with your florist, please ensure you include ***loose stems in water***.

Finishes

Please note that the starting prices in this guide are based on a simple semi-naked cake design. Additional prices apply for decorations and finishes.

Additional prices are dependent on the scale and complexity of the custom design.

Delivery

We offer delivery for all our products Victoria wide, quoted by location.

Delivery prices are also dependent on size of cake and complexity of installation.

You are also welcome to collect your order from our studio in Elsternwick however we are not responsible for any damages occurred during transit and a fee will be applied if we are required to mend onsite.

All our cakes are delivered with cutting and storage instructions.
