

Wedding Charter

Creating the Best. Day. Ever

It's one of the biggest days of your life. You want everything to go to plan, everyone to turn up to the wedding on time, but who can you rely upon to get everyone there? Barnabus - Brisbane wedding bus hire.

A bus for your wedding?

It may sound a little strange, but here are 3 reasons why a bus is the ultimate vehicle for a wedding:

1. **Grand entrance** - nothing says "look at me" more than arriving in a large vehicle
2. **Your hairdo will thank you for it** - tall interior means your hair won't get squashed against the ceiling
3. **Everyone arrives on time** - multiple wedding vehicles may look good, but it gets messy when the convoy is separated!

A big thanks to Alex and the team from BarnaBUS for our wedding party transfer last month. The level of service we received from the get-go was GREAT - super friendly, super reliable - and it made things so so easy on our wedding day. We had a lot of fun! Thank you again.

We used Barnabus for our wedding transport last weekend and we couldn't have been happier with the service. Our driver Michael was polite, patient and made sure we arrived at our destinations on time and everything was clean and tidy. Thanks so much!!
