About Riverside Woodfired Pizza

Based in Murray Bridge, Riverside Woodfired Pizza is a family run business that provides a varied menu that will suit your next event. We offer 'all you can eat' entrée and main pizza packages. We're also able to attend Sporting Events, Festivals, Markets and sell individual pizzas at an affordable price.

Although we're a new business, Darren and Tracey have a combined 10 years of experience running woodfired pizza events such as weddings, private functions/parties, community events etc.

Tracey is the 'feeder' so you'll find her making the pizzas using only the finest and freshest ingredients, with some being sourced from local producers and small businesses within the Murray Mallee and surrounding areas. You'll also see Darren working tirelessly near the oven, from firing it up to cooking the perfect woodfired pizza, meaning your guests will be fed scrumptious pizzas as quickly as they can eat them.

Riverside Woodfired Pizza appreciate planning an event can be stressful at times, so our main aim is to provide a hassle free service from start to finish. We'll also make sure you and your guests are fed plenty of pizza (dietary requirements catered for) under our 'all you can eat' entrée and mains menu(s).

Our motto is, 'we'll roll in and feed you until you roll out'.

Whilst we are based at Murray Bridge, our central location will enable us to provide a service to not only the Murray Mallee, Riverland and Adelaide Hills regions, but also within the CBD, suburbs and regional areas of South Australia. *additional travel costs may apply*
