

Meet HAWANA

Weddings | Hens | Birthdays | Shoots | Corporate events

Who we are...

We're just a laid-back couple from country Vic and the Surf Coast who stumbled into the world of weddings and events and found our groove. Back in 2021, we took the plunge with Havana Caravan Bar, and it happened to be the best decision we'd ever made.

Our mission? Making sure our couples have the **BEST TIME EVER** on their wedding day!

There's something really beautiful about watching two people combine their lives and spending the day celebrating with their nearest and dearest.

We truly do love our jobs.

We've now extended our services with our sister businesses, aiming to be a solid and reliable wedding supplier for your big day. Someone you can rely on, have fun with, and never have to worry about having an empty drink!

We can't wait to meet you! Grateful for every moment!

COCKTAILS

A cold vibrant Aperol Spritz post-ceremony awaiting your guests or arrival?

An Espresso Martini to get the party started post-speeches?

A G&T bar with a range of premium gins, tonics and fresh garnishes for your guests to choose from?

When it comes to cocktails, your options are endless!

It just depends on the cocktails you would like us to serve and how long you would like them served for - a single cocktail hour to kick off the celebration, throughout the entire event, or somewhere in between?

If opting for a dry hire drinks service, the same applies for your cocktails. We provide you with a full list of what we require for our cocktail recipes. Anything not able to be supplied from your alcohol supplier, we will bring along for you. Cocktails acquire a service fee per cocktail at between \$1.50- \$3 per cocktail. This fee covers additional prep time prior to your event, glassware and ice costs.

We pride ourselves on using quality liqueurs and premium ingredients, freshly squeezing all citrus for our cocktails. This provides our mixologists to provide you with a high quality cocktail that your guests are sure to love!
