

Thank-you for your interest in Creative Hunger wedding services.

We would love nothing more than to bring your ideas to life and help create a memorable experience for your wedding day.

Your wedding day requires something exceptional, that is tailored specifically for you.

Whether it be a canapé function, decadent grazing table or a formal sit-down meal, we can tailor a catering package to suit.

We provide seasonal, restaurant-quality food for weddings throughout Melbourne and Victoria, and don't believe in a one-size-fits-all approach.

Starting with a personally developed seasonal menu, along with our extensive vendor and supplier contacts, we can help you create your perfect day.
