Hi, At Berty&Co we are committed to delivering beautiful, clean, fresh and delicious food.
We make all our own stocks and spices to ensure we know exactly what goes into our food and it is of the highest quality.
We have options for Gluten free, Vegetarian and Vegan customers so everyone at your next function will be looked after.
We can cater for Weddings, Festivals, Markets, Private Corporate or Personal events and School Events.
Whether we are cooking the food at your function or delivering our succulent buffet meats and salads to your location, we are the caterers for you.
We can cater packages to suit your individual requirements, for more information call.
