**About us:**

Our family has been in the field of hospitality industry since 1979. We literally grew up in an Italian restaurant and both of us have achieved two diplomas each in hospitality management and several training certificates in Italy. After managing different businesses in Italy over the years, we decided it was time to open our horizons and face new challenges in Australia.

We offer to our guests an unique Italian Experience with our three vehicles: the "Ape Piaggio Classic", the "Vespa Piaggio 1964" are two vintage style icon vehicles from Italy and the "Mobile Kitchen". If you have any questions, do not hesitate to contact us!
