

## ABOUT US

*We believe the bar at any event is a focal point, a gathering spot for guests to mingle. Why not give them something to remember.*

*Our beautifully restored 1971 Low Light Kombi is a versatile mobile bar with a 6 tap system capable of pouring 50L, 30L, 19L and 10L kegs of beer, cider, wine, cocktails and soft drinks. You can hire the Kombi just on its own, or with our all inclusive option, we can take care of all your bar needs. Working with you, we will put together a drinks package to suit any occasion and along with our props and styling, we can create a cool bar area complete with pallet bar, festoon lighting, tables, chairs, picnic rugs, cushions, garden games and large marquee lights.*

*When it comes to pouring the drinks, your guests can either help themselves or we can provide professional and friendly bartenders to help serve up the beverages.*

*Kombi Keg South Coast Keg is available to cater for weddings, parties, festivals, promotions, corporate functions, photo shoots and other important occasions. We service the Sutherland Shire, Wollongong, South Coast (Illawarra), Shoalhaven, Southern Highlands of NSW and surrounding areas.*

## HIRING THE KOMBI

*We have several hire packages available (the guide prices below are based on 50 - 100 guests.)*
