Just wanted to send you a thank you for creating such a beautiful scene at our wedding on the 23/03/2024. Every little detail was spectacular and I got so many compliments on all of the floristry especially my bouquet and the stunning arbour piece. Thank you for picking up on any gaps that were left in my planning on the lead up and an overall easy process in creating such a special day. Highly recommend!

TAYLA + CURTIS

Everyone all day and night came up to me saying these were some of the best florals they've ever seen at a wedding, such a truly unique and beautiful set up, I honestly was so blown away all day and I cannot thank you enough. I cannot wait to get back the professional photos and see those bouquets in all their glory, thank you Maz, you truly made our day so special. Xxxx you are amazing

BROOKE + JACK

Dusty Gypsy were a dream to work with. Their flower magic made our summer wedding incredibly beautiful and memorable. Mariana is a highly skilled florist with a keen creative eye and an ability to turn your vision into a reality. She is a pro when it comes to events and understands the unique needs (and stresses!) of a bride — her way of working was made the wedding flower process an actual pleasure. If I could give her more stars I would!

SOPHIA + DOM

Mariana was amazing to work with for our wedding. She brought my vision to life and went above and beyond to ensure everything was perfect. I absolutely loved my florals and everyone commented on how beautiful everything looked. Mariana is so professional, extremely creative & talented. 100% recommend Dusty Gypsy Floral Design for your next event!
