A romantic couple in wedding attire embracing on a rocky coastline at sunset. The man is wearing a white shirt and tan pants, and the woman is wearing a white lace wedding dress. They are standing on a rocky shore with the ocean and a large rock formation in the background. The scene is bathed in the warm, golden light of the setting sun.

Love Note

Nicola from Goddess Makeup Design is not only a miracle worker but truly is a goddess with the most beautiful aura. Her talent goes way beyond just makeup and hair styling; she has a way of making you feel like the most worthy & beautiful version of yourself.

Not only did she craft the most stunning hair and makeup look for our elopement, but she also ensured it lasted through every champagne spray and teary-eyed moment, leaving me feeling like a true goddess myself.

Nicola's kindness shines through her work, making every interaction a joy. She effortlessly became the best hype girl, boosting my confidence and making me feel like royalty.

Most importantly, the magic she created made my 3-year-old daughter feel like she was part of a fairytale. Nicola's attention to detail is impeccable, and she took the time to understand me, helped guide me when I wasn't sure, resulting in a look that surpassed our wildest dreams.

- REBEKAH JONES

Her professionalism and friendly demeanor made the entire experience delightful, leaving us forever grateful for her expertise and the memories she helped create on our special day. Recommend 12/10!

A little introduction to your stylist

Hey Beautiful

HI I'M NICOLA

MAKEUP ARTIST + HAIRSTYLIST + MUMMA

I adore doing makeup and styling hair, and would absolutely love to be of service to you on your special day.

I can't guarantee I won't be dancing with coffee induced joy with you on your wedding morning, but I can guarantee you will be looking and feeling your absolute best.

As an artist, and a Holistic Integrative Creative Arts Therapy practitioner, I know how important feeling calm and grounded on your wedding morning is. I have 20 (arrgh) years experience as a qualified Makeup Artist, and would love to help achieve this for you.

When I'm not painting faces and washing brushes, I am playing with my three children, one son and two daughters, and enjoying the creek and beach we live beside in Blackrocks, Pottsville.

“

Love Note

I had the pleasure of booking Nicola for my wedding makeup. Not only is she an incredible makeup artist but she is also such a beautiful person inside and out.

She was truly the calm in the storm on the day and made me feel so comfortable. I was very nervous as I have had some shocking experiences with makeup artists in the past, but she listened to all of my requests and nailed the look I was after.

She played a huge part in making my day as special as it was. I can't thank her enough and will be recommending her to everyone I know.
