

THE  
Message  
audio guest book CO.

*The modern day guestbook.*

Dance, Laugh and celebrate knowing that our Audio Guestbooks are capturing the soundtrack of your love story, through the voices of your favourite people.

# Ditch the pen and paper!

Instead, have an Audio Guestbook so you can hear the emotion and excitement in your guests voices.

*These will be the best messages you ever receive.*

## LOOK AND BOOK

Browse our collection of phones and book your favourite in just minutes on our website. Don't miss out—our bookings fill up fast!

## RECORD YOUR GREETING

Record a personalized message to greet your guests on the big day. Need help? We're here to guide you!

## LET'S SET IT UP

Your audio guestbook arrives at least 2 days before your event. Just plug it in and let the fun begin—no Wi-Fi needed!

## LISTEN TO THE LOVE

We'll send your audio messages on a keepsake USB shortly after your event, so you can relive the day over and over.

Our gorgeous phones will capture the heartfelt and hilarious messages from your favourite people.

*Relive your wedding day every time you hit play!*
