HOW IT WORKS

Pre-made Templates

 EDITITPRINTS.ETSY.COM

WHAT IS EDITABLE?

All font and text is 100% editable (font type, side, colour and text position), unless it is a specific graphic.

Out of respect for the designer, depending on the template you have chosen, certain graphics may not be editable (size, colour and position/ removed).

The template size and orientation is not editable. If you require resizing, please contact us via email (contact details are at the end of information booklet). Please note resizing may incur a small fee to account for time worked to complete the task.

Ability to add photos and a reverse side for each template.

SUSTAINABILITY

Couples are saying yes to reusables. This can be in the form of reusable templates, recycled papers, electronic invitation or paper you can plant to reduce carbon footprints.

ROYALCORE & REGENCY

Thanks to Brdigerton, this trend is going around for another season. This style is very classic and you can't go wrong with this choice for a formal wedding at a hotel, catering Hall or Castle
