

Wedding Music Packages

Sometimes it can be challenging to decide exactly what you would like for your wedding music and every wedding is different!

Usually there are three instances where music can be booked throughout your wedding:

- The ceremony (usually an hour duration)
- The canapés /drinks /photo break (usually 1-2 hours duration)
- The reception (usually 5-6 hours duration)

The most popular package Majelen is booked for is the Whole Day Complete Wedding Music Package:

- Perform during ceremony
(While guests arrive, aisle song, signing of register, exit)
- During canapés
- Dinner music and first dance
- MC throughout reception
- DJ remaining hours of reception

Pricing

Complete Day package pricing varies, depending on how long your day will run, and how far Majelen will need to travel, though prices mostly fall between the \$1000 - \$4,000 mark. This is inclusive of GST.

Majelen a much more cost-effective option than booking a DJ, an MC, an acoustic duet, and other options, which can add up to \$20,000 + GST.
