Extras

We offer a wide range of additional services to enhance your event from the Ceremony through to the Canapes and Reception. We have everything that you require to create a memorable atmosphere.

Our extras include MC services, additional lighting and sound, projectors and screens, fog machines and live musicians.

Whatever your vision, we can provide the perfect enhancements to make your event truly unforgettable.

Platinum PACKAGE

Our Platinum Package upgrade includes a private meeting at your home with your DJ no later than 2 weeks prior to your wedding. This is where you can go through all of the songs that you have selected for your special moments during the night. You can also specify any tracks that you love or hate so that your DJ can get a feel for the styles of music that he or she will be playing on the day.

Lastly, you and your DJ will go through the run sheet and room layout together, and discuss any other important components of your wedding.
