

CONSUMMATE PARTY PROS WITHOUT THE FUSS

Why Party Shirt Music?

We're Melbourne's no-fuss entertainers; providing DJs, live wedding bands and acoustic wedding singers. Only pay for what you need, and add fun stuff like lighting, a wireless mic or ceremony music for a price that doesn't upset the budget.

Live Wedding Band. For Less.

The Party Shirt Band will play all of the great songs that you'd expect a kick-ass cover band to perform, without the fuss or price hike of a 'wedding band'. We'll even learn your first dance or aisle song from scratch.
