EMMA FAITH PHOTOGRAPHY

Welcome!

The images we
create together
will become
your first
forever memories.

Major congrats on your recent engagement! I'm so honored that you're considering having me spend your wedding day alongside you! Wedding photography is a lot of things, but most of all it's an investment in someone to capture and document your wedding day.

When the wonderful day is done, the cake has been eaten, the dress hung, you are left as newlyweds with your wedding photographs.

Spend some time reviewing this guide. If after reading this, you feel like we'd be a great match for each other, let's meet either over coffee or via Skype to discuss your needs & vision for your wedding!

*I make it simple,
keep it genuine,
& focus on the
candid moments*

About Me

EMMA FAITH

Most days you can find me in overalls, brewing some great coffee and reading an intriguing book. I am in love with my high school sweetheart Jordan (we've been together 5 years!) and I love bragging about him.

I am a wedding photographer, a lover of vintage fashion, a film enthusiast, a storyteller, a barista, and a woman who is always ready for an adventure and loves exploring.

We only have one life, so I believe in making it count, keeping it real, and creating beloved memories. I love thrift shopping, watching Brooklyn Nine-Nine, and eating chocolate donuts.

My photography style is raw, real, authentic, and adventurous. I will do anything to bring out your genuine emotion, and I promise to not pose you like a cheesy American prom photo! I make your day simple for you, keeping it genuine, and focusing on the precious candid moments that naturally occur between two people who are madly in love.

Years from now, I want you to look at your wedding photographs and have all of those memories to come flooding back. The bliss, sentiment, joy, and laughter from the day you said yes to the love of your life.
