Firstly, let me introduce myself and say a big thank you! My name is Sinead (Shin-aid, you've got to love those hard to pronounce Irish names), 32 years young, mother of the best tiny human, two sausage dogs and several chickens, wife, goofball and creative! Thank you so much for considering my services to be a part of your big day,

I know from experience, that this part of the process can be complete information overload in every sense! So, I have tried to break down the packages in the simplest form for you below.

Nothing works for your big day without transparency, so, if you have any questions or queries at all I am an open book, please ask away! I want to make sure that every detail is perfectly aligned with your vision.

Again, thank you so much for considering me for your special day. I am genuinely excited about the possibility of working together and capturing the beautiful moments that will make your wedding unforgettable. Please feel free to reach out with any questions or to schedule a consultation.

With warmest regards,  
Sinead
