Hey Friends!

First of all CONGRATULATIONS on your engagement and setting a date! Yay! This is such an exciting and overwhelming time for you! We totally understand (we've just been through it all!), please ASK as many questions as you need to, we are here to help & are happy to be considered as your wedding day photographers!

A little about us: (that's us ^^) We are a husband and wife photography team, located on the sunny Sunshine Coast, Queensland, Australia. We love to go on coffee dates, binge watch tv shows on netflix, walk our puppy, Daisy, at the beach and we absolutely LOVE working together, capturing the most special moments that happen on the day of your wedding!

We have a fast-paced, clean, colourful, documentary style of photography. We like to have fun and laugh ALOT! We give lots of direction, so you don't have to worry about not knowing what to do! Our Signature Collections include 2 photographers and an engagement session - if you choose a package without an engagement session, we would love to catch up for coffee!

Being newlyweds (July 2017) we have a new understanding of both sides of a wedding day - both from bride & groom and also as photographers - and we will do our best to help you as much as possible along the way!

Below are our wedding packages! We can also put together a personalised quote if you want to mix & match different aspects of our packages :)

Our packages & collections are listed below. We offer customised options as well!

We photograph ALL weddings, celebrations and ceremonies!
