STUDIO

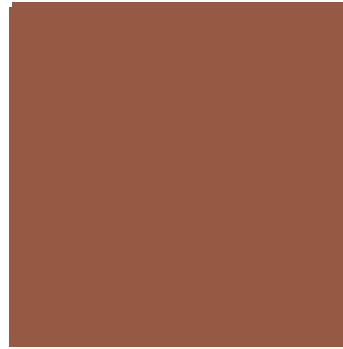

Welcome to Chocolate Milk Studio! We love to create images that tell a story - your story... A wedding photographer with a difference, Grai and his team, work to create an experience that is unique to you, with bespoke photographs that you will treasure. We also love to create photo journalistic wedding photography, capturing your special moments from start to finish with a classic yet fresh and fun approach.

We love the bright and colourful, weird and wonderful; big families, small families.... There is nothing we enjoy more than meeting new people, welcoming back friends, and capturing beautiful wedding photos.
