WHAT TO EXPECT

Hi guys,

My name is Megan, and I love capturing weddings, especially the outdoor/ on farm weddings! Being a farmer and outdoorsy person myself I love being in the outdoors and capturing images in beautiful locations with natural light!

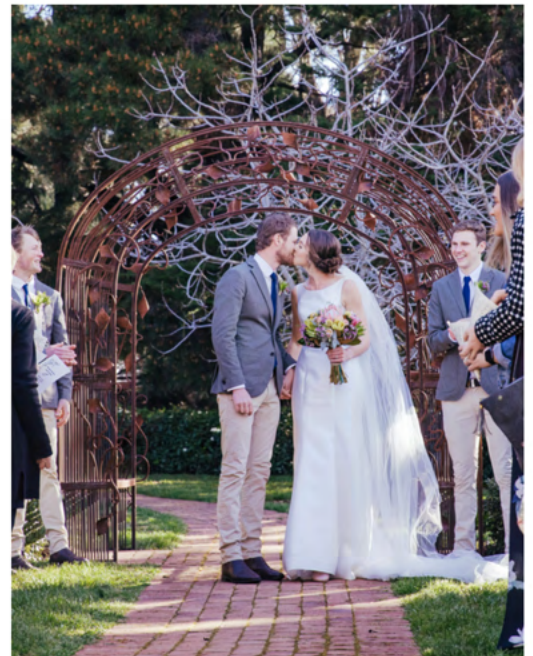

There is just something about stunning views and wide open spaces with a beautiful couple or bridal party in front of me that is super exciting!

I have also captured weddings inside churches and at other outdoor locations, and love the ability to get creative in new locations!

I am more than happy to travel, and am happy to discuss any additional travel fees with you dependant on your location.

I always try to meet up with my clients closer to the wedding date to have a chat about any and all aspects of their wedding, and am only a phone call or email away as well.

It is your wedding day, and I am here to help you make the most of it, including making capturing the memories a fun experience!!

4 TIPS FOR YOUR

wedding photography

#1 PLAN ENOUGH TIME FOR HAIR AND MAKEUP

You don't want to be rushing around the morning of, so it is important to allow enough time to get ready while enjoying a drink or a cheese platter with your best friends/ bridesmaids and groomsmen. If you choose to go with the platinum package this includes getting ready images for both the bride and groom, so I will be with you for the whole day!

#2 CREATE A SHOT LIST WITH YOUR PHOTOGRAPHER

I always send out two questionnaires about 2 months prior to your wedding, one with general details and one with a shots list for your family photos after the ceremony. So with the formalities taken care of we get to talk about all the fun bridal and bridal party portraits!

If you wish to follow my lead, that is totally fine, I have done a few weddings now and work with the couple and what they may be comfortable with to capture some amazing images!

But if you have a pinterest board, or a few specific shots in mind that you would really love to capture, be sure to let me know!

#3 CONSIDER HAVING A "FIRST LOOK" MOMENT BEFORE THE WEDDING CEREMONY

It is nice to have a private moment before the ceremony where you get to see each other for the first time, and I am there to capture all the amazing reactions, without all of your guest list looking on! If this is something you wish to do, please don't hesitate to chat with me about your options.

#4 BE YOURSELVES AND HAVE SOME FUN

It is after all **YOUR** big day!

Make the most of this super important time to have fun and enjoy every little part of this day!!!

Frequently ASKED QUESTIONS

DO YOU DO ON-FARM/ OUTDOOR WEDDINGS?

I specialise in on-farm/ outdoor weddings and these hold a special place in my heart! Being a farmer myself, I totally understand the desire to capture images of this important day on your own property, as it is after all an important aspect of your identities!

DO YOU TRAVEL?

Yes!

I love travelling, especially to other people's properties for weddings! Being from Western QLD, I completely understand travelling long distances. Travel within 1 hour of Blayney is free. Travel outside of this area may incur a fee, including any incurred accommodation costs

WHEN SHOULD WE DO BRIDAL PORTRAITS?

Golden Hour!!

There is honestly no substitute for the magical light seen in the last hour before sunset and this is the time when the true magic happens! It is also great to get away to steal a few moments together before heading back to the party!

HOW WOULD YOU DESCRIBE YOUR STYLE?

Throughout the reception, I capture moments as they unfold, looking for those beautiful moments and interactions.

I then move on to capture more formal family portraits after the ceremony.

For the Bridal and bridal party portraits, I aim to capture beautiful natural moments. I will use some prompts to help you feel comfortable and try to let the moments unfold to create those natural connections in beautiful light.

With the Bridal party, I try to capture a range of images whilst having a bit of fun at the same time!

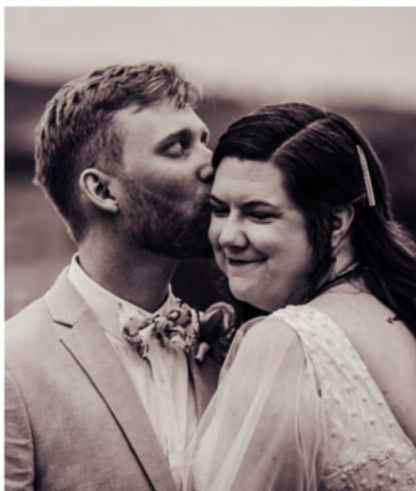

HOW MUCH IS THE DEPOSIT?

The deposit is 20% of the full wedding payment, and is required together with a signed contract to fully secure your date. An invoice will be sent out with reminders on due dates for your wedding payments so you don't have to remember when they are due!

HOW WILL WE RECEIVE OUR PHOTOS?

Photos will be delivered via private online gallery direct to your provided email address. This gallery can be shared with family and friends. A download pin will also be provided that you can share with family/ friends if you choose.

Photos will be delivered within 8 weeks of your wedding, with a sneak peek within 48 hours.
