

OUR APPROACH

THE ROMANTIC CREATIVES YOU'RE LOOKING FOR

A DESIRE TO BE DIFFERENT

Desire Weddings brings together a dedicated team of photographers, videographers and graphic designers born to capture love stories as they flower. Our mission is to cultivate inimitable mementos that are truly timeless.

We're inspired by the couples we work with, committed to the weddings we shoot, and sincere about the stories we tell. Desire Weddings loves love, and we can't wait to capture yours.

FEARLESS CREATIVITY

Our imagination knows no boundaries. Uncover a pure recollection of your unique love story that speaks for your unparalleled connection.

CELEBRATION

This is your time to celebrate the complete joy of your companionship. While you indulge in every priceless moment, we'll construct a time capsule that encloses it all.

HONESTY

The true beauty of a wedding is in the real and raw moments in-between the frenzy of excitement. By allowing these genuine details guide our lens and vision, your photographs, videos and stationery will be true to you.

01. INITIAL CONSULTATION

To tell a story you need to know the story, which is why our dedicated team values an initial meeting that dives into your unique partnership and wedding day vision. Availability and package discussions, additional services and provider recommendations are all part of the experience.

02. PLANNING SUPPORT

Weddings are our love and livelihood. From the first consultation to the first dance and beyond, connect with a support network that is committed to a day that you'll never forget. We're excited to hear your ideas and help develop your grand vision to make it an occasion that is truly yours.

03. WEDDING DAY EXCELLENCE

Guided by your previously discussed requirements, we do our thing as you enjoy a day of unmatched love and celebration. We're prepared to capture every emotion, candid moment and fleeting joy while staying well out of the frame.

04. TIMELESS SNAPSHOTS

Following an extensive and hands-on post-production process that honestly reflects the beauty of your special day, you'll connect with a tailored collection of photos and videos made to endure the test of time. Beyond a digital cache, you may also choose to indulge in a leather-bound wedding album capturing the most special moments.

OUR SERVICES

CAPTURING THE BEGINNING OF YOUR FOREVER

PHOTOGRAPHY

Our photographers specialise in candid, emotional and romantic storytelling. With a quiet approach that allows you to truly soak up the magic of the day, each image encapsulates raw emotion and fond memories – without taking away from the experience itself.

VIDEOGRAPHY

Breathe unforgettable life into your wedding day memories, capturing intimate and irreplaceable moments as they were, as they unfolded. Dedicated to films that blend the tradition of ceremony with the spark of spontaneity, our passionate videographers adopt an inherently personalised style to connect you with an active recollection of your love.

STATIONERY SUITES

Before the flowers, the dress and the venue, meaningful stationery offers guest's their first glimpse into your special day. From initial "save the date" designs and official invitations, to RSVP cards and thankful follow-ups, connect with a collection of curated love notes that reflect your unique vision of marriage.

SHOP INDYA

Iridescent colours grounded in the free-flowing form of the ocean, Indya is dreamy, timeless and effortlessly feminine.

SHOP WHITNEY

Lead with the minimalism of neutral tones and crisp silhouettes to introduce a sense of luxury and elegance.

SHOP RILEY

This collection fuses modern romance and timeless entails through an unfiltered lens of purity and elegance.
