“ I CAN'T EVEN ARTICULATE THE  
CORRECT ADJECTIVES TO  
DESCRIBE HIS WORK. HE IS  
SIMPLY A PHOTOGRAPHIC  
LEGEND . ”

Brendan Creaser WOW!! We met Brendan and instantly knew that he was going to be the BEST man to photograph our special day. He was passionate, warm, and kind and had such a calming approach and he was so genuinely interested in our day. When he produced some examples of his work we were both completely in awe of his incredible talents. On the day he floated around like he wasn't even there and I felt like it was one of my good friends photographing us. He was so lovely to our guests also and worked with a smile and with passion the whole day. I have seen his final work and oh my goodness!!! Every photo is superb. He captured our day like a true genius and his photos are MAGICAL. In fact, I cant even articulate the correct adjectives to describe his work. He is simply a photographic LEGEND.
