Trash The Dress

Trashing the Dress is fast becoming a popular style of photography. Normally this shoot takes place shortly after your wedding date.

We go to a location of choice, and simply have a lot of fun trashing your dress in a style that fits with what you like.

From this, you will get a great portfolio of photos with an artistic edge, all presented on a USB Disc in high resolution, ready to print.

Be really different, shock your friends and family!
