

Why Choose Peter Edwards Photography?

1. We aim to provide you with a creative and memorable collection of wedding day images with a minimum of fuss and intrusion. You're encouraged to relax and enjoy the time with your party during the photoshoot. We liaise with other professionals such as car drivers, celebrants, video operators, function coordinators as well as family members. This assists in making the day hassle free for the two of you.

2. Our years of experience enables us to deal with almost any situation, to think on the run and to act accordingly. The result? You having the photographs with the quality you'd expect.

3. Peter creates every image with creative post production work on your album pages. Each image will be an individual artwork.

4. There are two Photographers with you on the wedding day who have worked together for many years, both dedicated to producing exceptional wedding photography.

5. Most clients like a little of everything, wonderful candid, elegant stylised images and traditional family images. This gives you a balance of creative and memorable photographs.

6. The prices quoted are all-inclusive. We include pre wedding discussion and photoshoot free of charge as well as assistance selecting the images and designing your album on all album packages.

7. We shoot to get the best. You will have a huge selection of wonderful wedding images. the result is, you choose photographs in which you look great.

8. All images are available on usb flash drive for friends and family interstate and overseas to view and order. You will also receive an A3 size glossy coffee table book of all your wedding images, when you order a wedding album.

9. We will do our very best to give you the best.

Peter and Tegwyn to personally photograph your wedding day.

Pre-wedding photography session.

Two Photographers: Peter's forte is creating elegant stylised yet relaxed images. Tegwyn enjoys capturing the people pics, the emotions and spontaneity of the day.

Pre Wedding Session: This involves a photo shoot and discussion of the wedding day details. The days activities are put into perspective and it's an opportunity for you to tell us what's important to you on the day.

Wedding Day Coverage: Prior to the ceremony we capture the bride, her parents and bridesmaids, the groom and his parents and groomsmen. Also included: ceremony coverage, big group photographs, family and friends photographs. Bridal party photo shoot includes a number of locations, time permitting. Reception coverage upto 30 minutes after the bridal party enters the reception. Reception coverage can be extended to the bridal waltz and to the end of the reception. This coverage is for for Top Notch and Five Star packages.
