CONGRATS!

Thanks so much for getting in touch with me, your special day is approaching and I'd love to welcome you with a big congratulations for finding and choosing each other for a life in divine union. With nothing but big hearts dancing in your eyes, a day that calls together loved ones to witness and take part in the love you have created together, I'd absolutely love to be a part of your love story, mirroring the bond you share through natural and authentic imagery.

Capturing the raw, real moments of true connection between two souls, the essence that makes your romance unique, amongst stunning landscapes- through the art of storytelling, embracing non-traditional, documentary-style wedding photography.

Why I can't wait to document your day

From the cheeky kisses, dazzling glances and jiving on the dance floor, I'll be there to authentically document your love story. Trust that I'll capture your images and your story seamlessly, preserving your memories without interruption. I'll blend into the background, much like an old friend, capturing both the 'big moments' and the 'little ones' without disrupting the natural flow.

Your ceremonial time is sacred, and I respect that. Operating from the sidelines, you'll hardly notice I'm there, allowing you to revel in every moment without worry.

HI, I'M COOPER

A creative soul fuelled by the energy of the environment and the people around me.

I have a deep reverence for the true connection between humans, and the safety and trust that it instills. It is in these moments of connection, even the smallest ones, that create the journey of your story, and I love being a part of it. I believe in creating a calming atmosphere, helping you stay grounded, and ensuring your comfort, so these moments amidst your special day are naturally captured and can be remembered forever.

Chat soon, I can't wait to hear all about your dreams and plans for the day.

KIND WORDS

"Cooper somehow made himself feel like an old friend who was so involved and welcomed at the wedding while also seamlessly moving around the event. He made us feel incredibly comfortable and brought such genuine and enthusiastic energy to the whole day. We are beyond thrilled he was a part of our day."

“WE LOVE EVERY SHOT”

“From our first email correspondence, we knew we’d be in great hands. We felt like we had known Cooper for years, and it was like having an additional friend at the wedding rather than a stranger. He has such a relaxed and easy style, he immediately puts everyone at ease.

If you like unstaged, natural & authentic images, then Cooper is the man for the job. He captured so much joy in such a relaxed manner. We love every shot and are so grateful to have had Coop as our photographer.”

OPTIONAL EXTRAS

it's your day. anything is possible

01. SECOND PHOTOGRAPHER/VIDEO

I am pretty good at covering a lot of ground and it's not often I need a second photographer, although if you are getting ready a long way apart, want multiple angles of the ceremony or have more than 150 guests then I recommend a second shooter, usually only needed for three hours. I only use like-minded tried and trusted photographers & videography.

+\$100/hr 2nd photog. enquire within for videography

02. RUSH FEE

Don't want to wait the usual 4-6 weeks to see your photos? The excitement is real and we get that. Skip the queue and add the rush service to have your photos in just a week after your wedding.

+\$550 Rush Fee

03. THE TRAVEL

We'd love to capture your destination wedding, no matter where it is in the world. To assist with your planning, we've created some affordable, all inclusive travel packs. Just tack it on, and we'll look after the rest.

+\$500 For Domestic Travel (Weddings more than 300km from 4564)

+\$1,500 For International Travel (Weddings outside Australia)

ENGAGEMENT *shoot*

An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you in a location of your choice.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead-up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.

Where are you based?

I'm so lucky to call the Sunshine Coast my home, I'm based here and shoot most of my weddings here, however, I'm only a stone's throw to Brisbane, Gold Coast and Byron and I don't charge travel or accommodations for these spots.

Do you photograph internationally?

Yes! I'm ready to hit the road for your story, wherever it unfolds across the world.

If you're thinking of taking your celebrations overseas, please get in touch so we can chat about the finer details.

Can we customise a wedding package?

Yep, of course, just treat the packages as a price guide. We can come up with a package that fits exactly what you need to cater to your day, for example: 7hrs coverage with 2nd photographer for 2 hours across getting ready and ceremony, with a print and frame of your favourite photo.

Do you photograph elopements?

Dreaming of a private ceremony with just the two of you, or a handful of your close loved ones, I'd be honoured to run off with you and document your intimate ceremony, I've also got the perfect team to sort this for you too.

How many photos will I receive?

Trust that I'll capture your images and story seamlessly, with compelling composition to deliver you real, memorable moments. I have a focus on quality rather than quantity, that's why I will choose the best and significant photos to tell your story, but you can expect around 60+ professionally edited images per hour, with up to 130 coming from long ceremonies, trust me I won't miss a beat.

FAQ

How will I receive my photos?

Firstly, you'll receive a cross-section of your professional photos ready to be shared on social media and with friends and family within 24hrs, that's right the very next day. You'll receive a link to your online gallery and slide show to watch and relive your wedding day. You can also create favourite lists, easily send to family and friends and download in both hi and low resolution

How long will it take to receive our photos?

I give a 3- 6 week window to receive your final wedding photos. My mission is to create your one-of-a-kind storybook, with a moody, understated editing style that will set your images apart. If you'd like your images sooner, please ask me about the rush fee.

We don't want our photos on social media

This is your wedding and if you'd prefer that I don't share on my social media platforms, I will respect that.

What happens if bad weather strikes?

You are in the hands of someone who has a knack for creating a calming atmosphere, helping you stay grounded, ensuring your comfort, and allowing you to revel in every moment without worry. In a moment when conditions change, I am one who is adaptable and sees the possibility in different situations. Trust that we will work it out together. I come prepared with unique umbrellas at the ready too.

Do you have a payment plan?

Yes, we can organise to split your payments into four instalments. Just let me know if this would suit you.

Can I print my photos?

Of course, the images will be available in high resolution to print from your personal image hub. These photos will be crystal-clear, stunning visuals, perfect for any print size. I can take care of all this for you too, just ask.

What if I have to cancel or move my booking?

Life can be complex at times and conditions change. The deposit is non-refundable as this helps to protect my business due to turning away all other bookings for your wedding date. However I am here to help you work things out and we can change the date if I'm available.

Do you have any vendors you recommend?

Yes, from years of experience in the wedding industry, I have come to work with some of the top wedding vendors. I am more than happy to make some suggestions to help bring your wedding day together. Just reach out, I'm here to bring the possibilities to life, from celebrants to DJs to limousine transports and custom stationary sets, just ask, I'm here to help.

LOVE NOTES AND KIND WORDS

Testimonials I've received from other couples

“WE WERE LUCKY ENOUGH TO HAVE COOPER FLY TO ITALY TO SHOOT OUR WEDDING”

We were absolutely blown away by his ability to capture both the glamorous shots, as well as and most importantly, the details of connection, tears and laughter, all the inbetween moments that make a wedding. If you're looking for someone who is passionate about capturing true connection, the whole picture and the intimate details, all while doing it with lots of energy and a smile on his face, give Cooper a call - you won't regret it.”

-Lucy & Stewart

“HE WENT ABOVE AND BEYOND FOR US”

I knew that Cooper was the only person I trusted to authentically capture one of our most special moments. He went above and beyond for us, he found the most magical, perfect spot for us to be married, gave amazing recommendations for other creatives we would need for the big day including celebrant, MUA and florist. I knew he would create magic for us and that he did. Nothing was too much trouble and we are forever grateful to have found such a wonderful photographer and friend in Cooper.”

-Prue & Chris

“HE GUIDED US THROUGH OUR SHOTS WHILE KEEPING IT RELAXED AND FUN”

“We could not recommend Cooper as a wedding photographer enough. Both leading up to and on the day he was professional, organised and engaged to make sure everything flowed well. He guided us through our shots while keeping it relaxed and fun. Cooper handled our stormy weather wedding with ease and brought along a stack of umbrellas. Our photos are amazing, they are everything we wanted. He even sent a few images within 24 hours for us to share.”
