wedding collection one

Collection one is the ultimate collection, for those who want their whole day captured. A great all round package that means you'll never to stress about our time! From getting ready till the end of the reception, we'll be there with you!

This collection includes all day coverage with one photographer, a minimum of 700 high + low resolution images on a usb, a beautiful proofing gallery (to view/download images and order prints), a curated slideshow of your day to share with friends and family and 20% off engagement sessions, prints & albums.

\$5500

wedding collection two

Our most popular collection; for most couples it's the right amount of time to a good chunk of the day. From getting ready till reception, it gets the best of both worlds.

This collection includes 8 hours of coverage with one photographer, a minimum of 500 high & low resolution images on a usb, a beautiful proofing gallery (to view/download images and order prints), a curated slideshow of your day to share with friends and family and 10% off engagement sessions, prints & albums.

\$4500

wedding collection three

We understand not everybody's budget is the same, but that doesn't mean you can't get beautiful images you truly desire on your special day! We made this package for couples celebrating a more intimate affair or that are just after the formalities and some beautiful portraits together.

This collection includes 5 hours of coverage with one photographer, a minimum of 350 high & low resolution images on a usb, a beautiful proofing gallery (to view/download images and order prints) and a curated slideshow of your day to share with friends and family.

\$3900

extras

If you'd like both of The Robertsons to be with you on the day it's quite simple thing to do. For an extra fee we'd both be capturing moments as they happen from our different angles and perspectives

\$500

Our engagement sessions are a great way of making some beautiful portraits together and getting you a little more comfortable with a camera around. They're generally 1-2 hours long and include high + low resolution digital files on a usb

\$1200

Nearly all of our weddings we shoot each year require travel, so fear not - wherever you are in this wonderful world of ours we can come to you! Rates are dependant on flights/accomodation/car hire etc, so just pop us an email!

albums

Our heart is that your album becomes a most beloved treasure, a way to remember and share the story of when a boy and a girl say yes to each other for forever.

Albums are leatherbound or linenwrapped and come with 50 pages standard, an embossed cover and a beautiful slipcase to keep it safe.

\$1500

prints

Fine art prints make tangible what was magical on your day, the love, the light, the emotion and the joy. Now to be shared for generations to come - prints start at

\$10 and range from 6×4” to 20×30”
