## welcome lovebirds!

I am so excited you are here!

I'm definitely not the first one to say this buuuutttt... CONGRATULATIONS!

Congratulations on your engagement, how freaking exciting!

I would absolutely LOVE to be your photographer!

I will let this little guide help to answer any burning questions, along with a little bit about me and what you will receive when you choose me to capture the most precious moments of your big day!

And when I tell you, you need someone epic to shoot your special day... I mean it! I will shoot every little detail, even the ones you don't see.

As a 2022 bride myself, I know that planning a wedding can be very stressful! And somehow you are always finding new aspects of your wedding that you didn't even know you needed!

But I am here to confidently say; I will help you through everything!

benny!

**this is a little bit about me...**

hiya, I am Ellen! but you can call me Ellie!

I am originally from Mildura but in 2020 I moved to Albury after meeting my now hubby, Ben!

I just got married myself, so girrrrrr! I know how it IS!

I am a bit cheeky in the way of being a photographer - I am so much more than that! I will be your third set of hands, inspo generator, laugh creator and probably your new bestie!

I love this whole process - from the initial enquiry all the way through to delivering your goodies after the wedding.

Every time you see me, I will most likely have a big smile on my face & will always have words of encouragement on hand -

I am a giggle monster but sometimes that's exactly what you need!
