"To engage Renee as our wedding planner has been one of the best decisions we have made so far.

Renee is a good communicator, responsive and has brought amazing ideas to the table within the realms of our budget. She listened to all of our ideas (some crazier than others!) and has shown she can present different options to meet both our styles.

So much stress has been lifted from our shoulders. A big, big thanks to Renee and I highly recommend Coast Wedding Designs to anyone planning a wedding"

- Kathryn & Tim

**"Renee sourced, organised and pulled together an incredible team of creatives which was vital in bringing our concept to life. I was extremely impressed with her communication skills and ability to quickly solve problems both on the day and the lead-up"**

- Teegan from Wild Meraki Flora

"Renee organised our wedding in an exclusive and personalised way. She took care of EVERYTHING, no stress for us and we simply enjoyed our special day!

She was punctual and always willing to take care of my requests, organising everything in the details.

She matched exactly the theme colour that I was hoping for and she was able to create an amazing atmosphere for both us and our guests.

Our day was everything and more thanks to Renee and her outstanding organisation skills!"
