

NICOLA BOYLE IRISH ARTIST

LIVE PORTRAIT PAINTINGS

Beautifully encapsulate the joy and love shared on your wedding day.

Hi! I'm Nicola, an Irish artist based in Perth, bringing the beauty of the moment to life with live wedding paintings, custom prints, and bespoke commissions. My work combines a love for vivid colours, natural textures, and elegant details to capture each couple's unique story, whether it's in the charm of live painting or through personalised artwork that becomes a keepsake forever.

How Live Painting Works:
Pre & post-ceremony I will mingle and take pictures of your guests, which I will then paint. Guests are welcome to watch me paint throughout and can collect their portraits by the end of the event. I can post any unfinished paintings directly to you free of charge if we happen to run over time. I can paint 8-10 people (4-5 couple portraits) per hour
