“ We had a fantastic experience at Tea Tree Gully Golf Club for our wedding reception. From the beginning when we were organising until the wedding day we were cared for and given exceptional service. Tahlia was fantastic and nothing was too much trouble. The venue was set up beautifully and the food on the night was amazing. Our guests were very impressed all round, as were we. Thank you.

Jodie & Kuno

“ So happy with the way my wedding went. They were all so happy. Tahlia was so helpful and supportive of everything I wanted and made the day so great for us. The food was spot on and the grounds were just so beautiful. Plus an awesome price too.

Stephanie & Steve

“ Dimples Restaurant is a great size with some amazing views. The team and vendors set our reception up perfectly and nothing was too much trouble. There was plenty of room to move and dance and socialise and really enjoy the event. Everything we wanted we got, every request was met with enthusiasm, if it could not be done then Tahlia was there with a back up plan that was just as good. She is professional, easy to talk with and made the whole process as stress free as possible. Everything was perfection and I cannot fault the day. All our guests commented on how the entire day and night were absolutely stunning and it wouldn't have been possible without Tahlia. The ceremony area was perfect. The gum trees and greenery really made it a gorgeous setting. The arbour and pedestals were lovely and added more of the natural picturesque style we were after. Just a beautiful ceremony.
