

## Meet Kimberley

Kim has worked at Camp Sunnystones for 8 years and knows our camp and all it's quirky nuances inside out! She is our Events Manager, with weddings by far being her favourite part of the job! We love hearing all about weddings on a Monday morning with Kim starting every Monday morning with 'It was soooo good... and then launching into all the beautiful, cute and funny moments that were shared.

# Wedding Coordination

At Sunnystones

CAMP SUNNYSTONES

# Whats Included?

## Consultation

Our package includes a 2 hour consultation at Camp Sunnystones one month prior to your wedding day. You'll sit down and discuss all the important details like the timeline, logistics, vendor information and anything else you want Kim to do on the day. She'll make sure everything is covered so you can both relax and enjoy every moment with your loved ones on your special day.

Before your consultation, make sure you have your vendor list (names, phone numbers, and product information), timeline, and your guest list.

But don't stress, Kim will remind you of what to bring!

The purpose of this consultation is to make sure that Kim knows exactly how you want your day to run and that your worst nightmare situations don't happen!

## Your Big Day!

On your wedding day, Kim will be there to oversee and coordinate your vendors to ensure everything runs smoothly. She'll manage your guests and make sure everyone is where they need to be. If either of you are worried or anxious about anything, Kim is amazing at calming nerves or sorting out a random problem that has popped up. Now, just to make sure we're on the same page, the role of the Co-Ordinator does not include manual labour, like washing dishes or weight lifting, so moving or lifting items will require someone else.

## Our Rates

\$65 per hour

minimum 8 hours

- 2 hour consultation and
  - 6 hour wedding coordinating on day
- minimum cost: \$520 (8hrs x \$65).

It is important to note that for this package Kim does not liaise with vendors prior to your wedding day, or complete other tasks. Her role is to understand what you want on your day (consultation prior to your day) and to then ensure your day goes as smoothly as possible.

If you would like an additional meeting prior to your wedding or additional hours on the day, this can be arranged with advanced notice.
