Share our space and the place we call home.

Bridgeward Grove Olives & Art is a unique wedding space that offers an individual country setting, a creatively planned wholesome occasion.

Bridgeward Grove Olives & Art is a unique wedding space that offers an individual country setting, a creatively planned wholesome occasion. We cater to your needs, offering you and your guests an amazing experience and truly a day to remember. We welcome you and your family to our farm to view the boutique function room and olive grove.

There are two churches a few kilometres away, both with historic appeal. St Martin's Catholic Church at Muskerry is a bluestone church with more seating capacity than the quaint St Georges Anglican Church in Goornong. There are a number of other areas on the farm that are suitable settings for an outdoor wedding ceremony including our peaceful olive grove and the Campaspe River, not far away.

The farm also lends itself to beautiful wedding photography, with its country gardens, grove, a rural landscape and historic farm buildings as your backdrop – all this makes Bridgeward Olives & Art a superb location.

Contact us to arrange an appointment.
