Testimonials

Our recent wedding celebration was extremely well managed by the events supervisor, who was flexible, professional & very responsive throughout the planning process She was also hands on all Saturday night to ensure the evening proceeded smoothly, thank you for your top notch service. We loved the quirky décor of both rooms, which allowed for a range of seating areas, and the terrace. Canapes were all delicious, some quite filling and the bowls were a tasty filler for those needing a little more sustenance. Both bars offered a great selection of tap beers, wines etc. Great venue in happening West End, don't be put off by the low key entrance
Oliva & Alex!

We have actually never taken the time to write a testimonial to any business, but we felt we had to in this case... We could not have scripted the night any better, the venue was amazing. The food was a special highlight & was commented on by nearly every guest as being of top quality... The level of organisation was fantastic & everything went without a hitch. Ben & Deena Horne. Bride & Groom

Thank you so much Loft West End for hosting our amazing wedding! We cannot speak more highly of all the staff & the venue itself. Everything was executed to perfection, the guests raved about the food & every other aspect, many saying it was the they have ever been to. Loft thank you so much - best day of our lives.
Brooke & Alan
