LUKE & GOUGH

Luke and Gough said “I do” on an idyllic spring day surrounded by their closest family and friends. Having met on a trivia night which led to a lunch date in west end, their romance continued to blossom until one night whilst on a South American trip Luke proposed to Gough over dinner and the wedding planning began.

Brisbane Powerhouse drew their attention as the perfect wedding venue due to its beautiful location and surroundings. They saw value for money within the various wedding packages available and could not pass up on the opportunity to host such a special occasion within one of Brisbane's most iconic venues.

Gough's mum took the lead on the decorations and adorned the tables with beautiful seashells and coral that she had collected from all over Queensland on her various sailing trips. The contrast between the industrial backdrop and coastal chic really set the tone for their beautiful day.

Luke and Gough attribute the overwhelming success of their day to Brisbane Powerhouse and their fleet of staff stating:

“The whole team at Brisbane Powerhouse did a great job and took the stress out of everything. It came together even with a few modifications on the day. We were really pleased with everything. The catering was also delicious and every bit as good as we expected.”

No massed produced stuff that you'd get at your stock standard corporate function and the wait staff were all very attentive.”

FAQS

Do I have to use your caterer?

Yes, we have an exclusive contract with Wine & Dine'm.

When are menu selections due?

Catering selections are due two weeks prior to your event date. Final numbers and dietaries are due seven days prior.

Can special dietaries be covered?

Yes, Wine & Dine'm can assist with dietary requirements if we are aware of them seven days prior to the event.

What options are available for beverages?

There are two options available for beverages, both listed below.

Package:

We offer two, three, four and five hour packages. These are priced per head and include staff. Beverage selections are available in our menu.

On Consumption:

You select a tab amount. This amount is taken as a deposit and charged on your interim invoice with the remainder being reconciled after your event and charged on a final invoice. You will need to nominate a contact on the night if the initial tab amount is reached, this person will then need to sign off on an increase.

Staff are not included with on consumption beverages. Staff are \$69.50 per hour, with a minimum four hour shift.

1-29 Guests: One bar staff required
30-89 Guests: Two bar staff required

No, we don't have cash bar facilities in our private event spaces.

How long do I have the venue?

Standard hire is for an eight hour period, this is to include the bump in and out times. We offer a maximum five hour beverage service policy and this usually determines your start and finish time. For example if you were to start your five hour package at 6pm, the bar would close at 11pm and guests are given a half hour grace to exit the space, with the function closing at 11.30pm.

Do you have sound restrictions?

Yes, please speak with your venue coordinator regarding the specifics of your hired venue.

Are there any additional charges associated with the venue?

Additional charges are dependent on final room set up and requirements for your event. Please contact our events team for a full quote.

What are your payment terms?

We invoice in three stages. Initial invoice is issued at the time of booking and includes the venue hire fee as a deposit. Your interim invoice will be issued one week prior to the event date once we receive your final numbers. This will include catering, beverages and any additional hire items. The interim invoice must be paid prior to the event going ahead.

A final invoice will be issued after your event where necessary; for example, if you choose to have beverages on consumption, there may be a final invoice to reconcile the tab. Cancellation of the hiring where the Hirer cancels the event more than 28 days prior to the event, the Venue Management will retain 10% of the room hire as an administration fee.

Where the Hirer cancels the event less than 28 days prior to the event the room hire will be forfeited. Cancellation of the event less than 14 days prior to the event will result in the forfeiture of all monies.
