REAL WEDDING STORIES AT BRISBANE POWERHOUSE:

CAT & JAKE

Cat and Jake were married on a perfect spring afternoon with their closest friends and family overlooking the Brisbane River at the contemporary Brisbane Powerhouse.

Styled by White + White Weddings, Cat and Jake had a picturesque wedding with lush greenery and neutral tones that melded in with the historical building.

Married under a dreamy arbour with stunning traditional roses and greenery by celebrant Carly Slade, the couple shared their intimate vows with friends and family. As their loved ones joined in their celebrations the explosions of white confetti filled the air welcoming the couple to their new adventure.

Friends and family moved to the nearby restaurant Mary Mae's Bar & Kitchen as the team of White + White and Brisbane Powerhouse went about setting the stunning reception. Complete with its own gin bar, the reception carried the theme of the ceremony with warm moody lighting, crisp neutral tones and lush greenery by Bouquet Boutique. As guests entered the room they headed to the outdoor deck for cocktail hour. With Kris Iwanuik and Simone Pope playing some smooth Flamenco tunes, guests finished their custom-made gin cocktails and made their way to the dreamy dinner tables to welcome the newlyweds.

Cat and Jake danced their first dance as husband and wife to Into My Arms by Nick Cave that didn't leave a dry eye in the house. Inviting their loved ones to join, the party then danced the night away.

Congratulations to Mr and Mrs Carter!

FAQS

Do I have to use your caterer?

Yes, we have an exclusive contract with Wine & Dine'm.

When are menu selections due?

Catering selections are due two weeks prior to your event date. Final numbers and dietaries are due seven days prior.

Can special dietaries be covered?

Yes, Wine & Dine'm can assist with dietary requirements if we are aware of them seven days prior to the event.

What options are available for beverages?

There are two options available for beverages, both listed below.

PACKAGE: We offer two, three, four and five hour packages. These are priced per head and include staff. Beverage selections are available in our menu.

ON CONSUMPTION: You select a tab amount. This amount is taken as a deposit and charged on your interim invoice with the remainder being reconciled after your event and charged on a final invoice. You will need to nominate a contact on the night if the initial tab amount is reached, this person will then need to sign off on an increase.

Staff are not included with on consumption beverages. Staff are \$40.00 per hour, with a minimum four hour shift.

1-29 Guests: One bar staff required
30-89 Guests: Two bar staff required
90-150 Guests: Three bar staff required

Do you offer a cash bar?

No, we don't have cash bar facilities in our private event spaces.

How long do I have the venue?

Standard hire is for an eight hour period, this is to include the bump in and out times. We offer a maximum five hour beverage service policy and this usually determines your start and finish time. For example if you were to start your five hour package at 6pm, the bar would close at 11pm and guests are given a half hour grace to exit the space, with the function closing at 11.30pm.

Do you have sound restrictions?

Yes, please speak with your venue coordinator regarding the specifics of your hired venue.

Are there any additional charges associated with the venue?

Additional charges are dependent on final room set up and requirements for your event. Please contact our events team for a full quote.

What are your payment terms?

We invoice in three stages. Initial invoice is issued at the time of booking and includes the venue hire fee as a deposit. Your interim invoice will be issued one week prior to the event date once we receive your final numbers. This will include catering, beverages and any additional hire items. The interim invoice must be paid prior to the event going ahead.

A final invoice will be issued after your event where necessary; for example, if you choose to have beverages on consumption, there may be a final invoice to reconcile the tab. Cancellation of the hiring where the Hirer cancels the event more than 28 days prior to the event, the Venue Management will retain 10% of the room hire as an administration fee.

Where the Hirer cancels the event less than 28 days prior to the event the room hire will be forfeited. Cancellation of the event less than 14 days prior to the event will result in the forfeiture of all monies.
